

*"The LORD is my Strength and Song; And He is become my Salvation." Exodus 15:2*

Dear friends,

Home! The thought of Thanksgiving brings to mind images of home, of family and friends. As we enter into another holiday season, we want to let you know that we appreciate your friendship! We haven't been home very much this year, yet we are thrilled at the realization of how many special friendships we have gained in service for God. That is one of the benefits we had not considered at the outset of this ministry! Even through trials we are encouraged to see that God is empowering our lives and the lives of other families we visit in our travels. The testimonies we share with each other confirm the Lord's promise that *"He which hath begun a good work in you will perform it until the day of Jesus Christ."* Philippians 1:6. Truly, we have much cause for thanksgiving!

Are you wondering why we haven't been home? In 2004, by God's grace we have produced two CDs, presented the *Message of the Music Seminar* sixteen times, sacred music programs nineteen times, and participated in six refreshing and uplifting campmeetings.

The music seminar has been well received and we have many requests for videos or DVDs. We are praying for funds to have it recorded in a professional studio. In this way, the message can go farther and faster than we are able to travel. We are looking for ways to save funds for the seminar recording as well as the production of new CDs. If you are interested in receiving our newsletter via email rather than postal mail, please email us at [moses.song@verizon.net](mailto:moses.song@verizon.net).

We are adjusting to growing pains now that Kristina is enrolled in college. We miss her companionship, and her singing and violin playing but we realize that she needs to stretch her wings. Though some good things must come to an end, good things are also developing! We trust that God is preparing her to do a work for Him with her violin and teaching talents. She is already doing a work for Him there at the college. Toni and Nicole are exploring their individual pursuits as well. Having three eighteen-year-olds makes for sudden and inevitable changes!

We have been blessed by your prayers, your encouraging phone calls, emails, letters, and your financial support of this ministry. We could not do this work without you! Please know that it means the world to us to receive a word here and there to let us know you are thinking of us! It is our prayer that we each may experience the peace and rest in Jesus now that will enable us to stand through the storms of these last days, 'abounding therein with thanksgiving!'

Your brother and sister in Christ,

Derrol and Cindy Sawyer
